CLAIMS NOTICE and CLAIM FORM

Dear Sir or Madam:

You may be a property owner in Lawrenceburg or Greendale, Indiana, who is entitled to an award of money for damage done to your improved property as a result of mold growing upon it. The Court has given judgment against Pernod Ricard and found that damages awarded to William Klepper and the Class of property owners he represents should be paid. There exists a fund of \$1,234,430.80 available to pay claims of certain property owners.

Compensation is divided between two basic groups, the High Impact Zone and the Reduced Impact Zone. The property owners within the High Impact Zone, an area defined by Highway 50, Tanner’s Creek, Front Street and Brown Street are entitled to \$3,500.00 for each parcel of property they own. Property owners in the Reduced Impact Zone, those owning property within parts of Greendale and Lawrenceburg lying within Sections 2, 3, 10, 11, 14, 15 and 23 of Township 5 North, Range 1 West, in Dearborn County are entitled to an award of approximately \$300.00.

In order to make a claim, you must have owned one of these properties between December 21, 2001 and September 12, 2009. If you and another property owner shared ownership of a property during that period, the award will be divided between you based on the fraction of that period each of you owned the property. **In order to be paid, you must make a claim on the form below, indicating your name, the address of the property, and the period of time during which you owned the property, and send that claim by mail to Class Counsel, Plews Shadley Racher & Braun LLP, 1346 N. Delaware Street, Indianapolis, IN 46202.**

Should you have any questions, please contact, by email or in writing, either Amy Romig or F. Ronalds Walker at the above address or email address (aromig@psrb.com; rwalker@psrb.com).
